## Streamlined Financial Hardship Waiver Request

### CERTIFICATION

1. I, David McCalla, General Manager of Greenville Electric Utility System ("GEUS"), certify as follows.
2. GEUS is a small, municipally-owned cable system serving Greenville, Texas.
3. GEUS will be required to obtain equipment to comply with the FCC's CALM Act rules<sup>1</sup> and seeks a waiver from that requirement under the streamlined financial hardship waiver process.<sup>2</sup>
4. Under the streamlined financial hardship waiver process, GEUS is eligible for a one-year delay in obtaining the equipment needed to comply with the FCC's CALM Act rules.
5. GEUS meets the definition of "small MVPD system."<sup>3</sup> As of December 31, 2011, GEUS served fewer than 15,000 subscribers. And, GEUS is not affiliated with a larger operator serving more than 10 percent of all MVPD subscribers.
6. GEUS needs the one-year delay to obtain specified equipment in order to avoid the financial hardship that would be imposed if it were required to obtain the equipment sooner.
7. Accordingly, GEUS is entitled to a one-year delay in obtaining the equipment needed to comply with the FCC's CALM Act rules.

The foregoing is true and accurate to the best of my knowledge, information, and belief.

Date: December 13, 2012

  
David McCalla  
General Manager  
Greenville Electric Utility Systems
